Saint Paul is happy to host the once-in-a-lifetime event, the Republican National Convention from September first through the fourth. If you are a resident and/or business and have questions or concerns regarding the RNC you are encouraged to call the City of Saint Paul's RNC convention hotline at 651-266-8989 or go to the City's RNC website, which has just about everything you need to know, at www.stpaul.gov/rnc.

In addition, as a benefit to all Minnesota residents for hosting the RNC, please take advantage of Award MSP. Simply go to www.awardmsp.com to download over one hundred coupons from local businesses for events, services and goods. But hurry, as this offer will expire on September 7th, right after the RNC leaves town.
