

An Enchanted Evening A Valentine's Day Dinning Experience

Sunday, February 14 - 4:30 & 7:00 Seatings Available

This Valentine's Day, don't just give your sweetheart flowers; take them where they can dine amongst them. Candle-lit tables of two will line the North Garden, Palm Dome and Sunken Garden of the Marjorie McNeely Conservatory.

It's a rare opportunity to be seated in one of the Conservatory's gardens, with candle light bouncing on the long, sleek windows with dancing shadows cast by the lush vegetation of the North Garden and Palm Dome. The color and scents of the Winter Flower Show transforms you to a picturesque warm summer day of a flower garden. Before or after dinner, enjoy a glass of wine and stroll through the Tropical Encounters exhibit and meet an animal visitor.
