## Night Trains and Christmas Trains are coming!!!

**Night Trains runs Saturday nights,  
Nov. 28 – Feb. 27, 6:00 pm - 9:00 pm**

The holidays are just around the corner and at the Twin City Model Railroad Museum that means Night Trains!

Each Saturday night from November through February, we turn down the lights and let the layout come alive in its own magical way. Buildings and street lights glow warmly, setting the scene for specially lighted models of vintage passenger trains. The town of Mattlin is buried in a blizzard, and throughout the layout are miniature Christmas lights and decorations.

And returning this year is the spectacular Christmas Train! The engine and cars each covered in hundreds of lights wishing everyone the happiest of holidays. It is something not to be missed.

Bring the whole family. We know you will want to make Night Trains at the Twin City Model Railroad Museum part of your family's holiday traditions.
