Initiating Problem, Issues, Opportunity (Who, What, When, Where, Why):
 An Opt Out petition signed by 100% of the property owners on Mount Curve was received on December 14, 2008.

Advantages If Approved:
 Property owners will not be assessed for the project and their street will not be disrupted.

Disadvantages If Approved:
 The pavement structure will continue to deteriorate and maintenance costs will rise. This street will not be repaved as part of the City's efforts to improve the street system in Saint Paul.

Disadvantages If Not Approved:
 Property owners will be assessed for the project and the normal problems associated with construction such as noise, dust, and general disruption will occur.
