

**ORDINANCE
CITY OF SAINT PAUL, MINNESOTA**

Presented by _____

1 An administrative ordinance to amend Saint Paul Legislative Code Chapter 81, Storm Sewer System
2 Charge, to facilitate title changes and administrative reorganization.

3
4 **THE COUNCIL OF THE CITY OF SAINT PAUL DOES ORDAIN:**

5
6 Section 1

7
8 Section 81, Storm Sewer System Charge, of the Saint Paul Legislative Code is hereby amended to read as
9 follows:

10
11 **Sec. 81.05. Calculation of storm sewer system charges.**

12
13 (a) Each year, the real estate ~~division of the department of public works~~ section of the office of financial
14 services, applying the current storm sewer system rates established pursuant to section 81.04, shall
15 calculate the storm sewer system charge to be applied to each parcel of land within the city. The charges,
16 including any administrative costs incurred in processing the charges, shall then be collected by billing all
17 parcels within the city. These charges are due and payable on or before October 1st of the billing year.

18
19 (b) All billing invoices shall include the parcel's county property tax identification number, its area, the
20 applicable storm sewer system rate, the storm sewer system charge and notice of the owner's right to
21 request a review of this charge pursuant to section 81.06. All invoices shall be sent to the person or persons
22 shown to be the owners of the parcel in the records of the county department of property taxation or other
23 appropriate records. All charges when collected shall be maintained in a separate activity object code
24 account established for management of the storm sewer system.

25
26 **Sec. 81.07. Certification of unpaid charges.**

27
28 The balance of any unpaid storm sewer system charges as of October 1 of any year shall be
29 certified to the county department of property taxation for collection at an interest rate as determined by the
30 city's "pool rate" or borrowing rate if bonds were used to finance the improvement, as set by the treasury
31 manager at the time the storm sewer system charge is adopted by the city council plus a factor to cover the
32 city's cost as determined by the ~~public works technical services manager~~ valuation and assessments
33 engineer and treasury manager, with real estate taxes in the following year pursuant to Minnesota Statutes,
34 Section 444.075, Subdivision 3.
